

North-South Korean Issues and Opportunities

an online discussion

Co-sponsored by The Washington Times Foundation
and the Universal Peace Federation's International
Association of Parliamentarians for Peace

Tuesday, January 5, 2021 ♦ 2-3 p.m. EST
(registration link below)

Regardless of how the election finally plays out, there are opportunities in the next presidential term to pursue the peaceful resolution of issues with North Korea. For the U.S. and the world, the issue is nuclear weapons. For North Korea, the issues are economic and political security. We invite you to join a stimulating discussion among the most informed thinkers on Northeast Asia and the Korean Peninsula.
